

# Opulence™ Series

## Elegance Redefined

The Opulence™ Series features both round and square brackets, available in a variety of colors, including White, Black, Satin Nickel and Antique Bronze.

Offering a sleek, contemporary look, these brackets provide a premium upgrade for both Skyline and RB Series shade systems.

### Features

- Available in round and square options
- Elegant design removes the need for plastic bracket cover
- Quick and easy installation
- Compatible with manual, spring and motor shades
- Includes bearing for reduced noise during shade operation
- Magnetic screw cover hides screws for a seamless look
- Magnetic motor cover cleanly runs AC/DC wires through the bracket
- Skyline available in White, Black, Satin Nickel and Antique Bronze
- RB09 available in White and Black
