

Opulence Series™

Elegance Redefined

Indulge in Opulence

Our Opulence™ Series features meticulously crafted round and square bracket shapes, along with a range of colors and finishes designed to enhance any interior.

Whether your style is modern or timeless, our hardware integrates seamlessly with your roller shades and décor. Opulence offers the perfect finishing touch to elevate any residential or commercial space.

Crafted for Sophistication

Round and square brackets from the Opulence collection deliver a sleek upgrade for Skyline and RB09 shade systems, elevating any space. Choose from four refined finishes for Skyline brackets—White, Black, Satin Nickel, and Antique Bronze—or classic Black and White for RB09 brackets.

Magnetic Covers

Opulence brackets include matching magnetic screw covers, with optional motor covers available for automated solutions.

Finishing Touches

Whether you prefer manual, spring-operated, or automated shades, perfect your style with seamless, color-matched accessories, blending form and function for a sophisticated finish.

Clutches

For manual roller shades, Opulence offers color-matched clutches to ensure a seamless and unified appearance.

Spring & Motor Caps

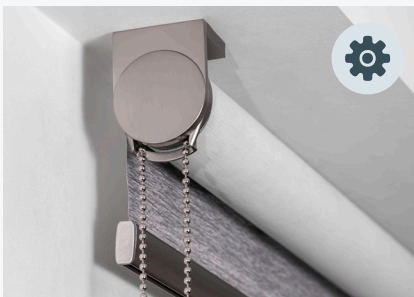

Color-matched adjustment wheel and motor caps are available for spring-operated and motorized shade solutions, seamlessly concealing the visible spring or motor edge.

Hem Bars & End Caps

Complete the look with matching hem bars and end caps for a polished and seamless finish.

Operate in Style

Trusted Clutch Performance

Elevate your roller shades with durable clutches color-matched to Opulence brackets for a premium finish.

Effortless Spring Control

Enjoy the simplicity of cordless, spring-operated shades refined with color-matched spring caps, offering a sleek and minimalist aesthetic.

Seamless Automation

Optional magnetic motor covers discreetly conceal AC/DC wiring, delivering a smooth, sophisticated automated experience.
